Project information (summary of project, staffs, and location)	<p>Van Ho Agritage Vietnam was established in 2016 with the mission to preserve and develop Vietnam’s Heritage Agriculture. Starting from the pride of a country with a long-standing agricultural culture, Van Ho Agritage Vietnam respects the nation’s indigenous knowledge and the cultural values of the ethnic groups. As a result, they strive to devote and contribute their best efforts to preserve, build, develop, and spread the Vietnamese people’s traditional values and indigenous knowledge to Vietnamese dwellers and friends around the world. Van Ho Agritage Vietnam is currently operating in three fields: Agriculture, Education, and Experiential travel.</p> <p>Van Ho Agritage Vietnam has a dedicated, enthusiastic and responsible staff. They have extensive experience in development, especially in the agro-forestry industry as well as in research and development.</p> <p>Van Ho Agritage Vietnam is based in an office in Hanoi. However, they work very closely with the local population in Van Ho Province and therefore often provide support directly on the ground.</p>
